PRESENTS

FREE OF CHARGE

A Special Screening of the Movie:

TEMPLE GRANDIN

Starring: Claire Danes

A true story based on the life of Dr. Temple Grandin, a professor of animal science and a high functioning woman with Asperger Syndrome. Through her unique communication skills and high intelligence, Dr. Grandin dispels preconceived notions about the human condition known as Asperger Syndrome. A must see film.

Moultonborough has the honor of perhaps being the only school district in the nation to preview this movie before the DVD is released in August.

Following the Screening:

A discussion about the movie and living with Autism/Asperger Syndrome will be held with a distinguished panel of individuals with Autism Spectrum Disorders.

Date of Screening: Tuesday, May 25, 2010

Time: 6:00-9:00 P.M.

Location: Moultonborough Academy Auditorium
